§ 1.1502-34 Special aggregate stock ownership rules.

For purposes of §§1.1502-1 through 1.1502-80, in determining the stock ownership of a member of a group in another corporation (the “issuing corporation”) for purposes of determining the application of section 165(g)(3)(A), 332(b)(1), 333(b), 351(a), 732(f), or 904(f), in a consolidated return year, there shall be included stock owned by all other members of the group in the issuing corporation. Thus, assume that members A, B, and C each own 33⅓ percent of the stock issued by D. In such case, A, B, and C shall each be treated as meeting the 80-percent stock ownership requirement for purposes of section 332, and no member can elect to have section 333 apply. Furthermore, the special rule for minority shareholders in section 337(d) cannot apply with respect to amounts received by A, B, or C in liquidation of D.

§ 1.1502-35T Transfers of subsidiary member stock and deconsolidations of subsidiary members (temporary).

(a) *Purpose.* The purpose of this section is to prevent a group from obtaining more than one tax benefit from a single economic loss. The provisions of this section shall be construed in a manner consistent with that purpose and in a manner that reasonably carries out that purpose.

(b) *Redetermination of basis on certain nondeconsolidating transfers of subsidiary member stock and on certain deconsolidations of subsidiary members—*
(1) *Redetermination of basis on certain nondeconsolidating transfers of subsidiary member stock.* Except as provided in paragraph (b)(3)(i) of this section, if, immediately after a transfer of stock

of a subsidiary member that has a basis that exceeds its value, the subsidiary member remains a member of the group, then the basis in each share of subsidiary member stock owned by each member of the group shall be redetermined in accordance with the provisions of this paragraph (b)(1) immediately before such transfer. All of the members’ bases in the shares of subsidiary member stock immediately before such transfer shall be aggregated. Such aggregated basis shall be allocated first to the shares of the subsidiary member’s preferred stock that are owned by the members of the group immediately before such transfer, in proportion to, but not in excess of, the value of those shares at such time. After allocation of the aggregated basis to all shares of the preferred stock of the subsidiary member pursuant to the preceding sentence, any remaining basis shall be allocated among all common shares of subsidiary member stock held by members of the group immediately before the transfer, in proportion to the value of such shares at such time.

(2) *Redetermination of basis on certain deconsolidations of subsidiary members—*

(i) *Allocation of reallocable basis amount.* Except as provided in paragraph (b)(3)(ii) of this section, if, immediately before a deconsolidation of a subsidiary member, any share of stock of such subsidiary owned by a member of the group has a basis that exceeds its value, then the basis in each share of the subsidiary member’s stock owned by each member of the group shall be redetermined in accordance with the provisions of this paragraph (b)(2) immediately before such deconsolidation. The basis in each share of the subsidiary member’s stock held by members of the group immediately before the deconsolidation that has a basis in excess of value at such time shall be reduced, but not below such share’s value, in a manner that, to the greatest extent possible, causes the ratio of the basis to the value of each such share to be the same; provided, however, that the aggregate amount of such reduction shall not exceed the reallocable basis amount (as computed pursuant to paragraph (b)(2)(ii) of this
